All applicants for ACTIVE status must be sponsored by TWO Active Members of the Club, in good standing. Dues are \$20 per year for the active applicant and \$8 for any additional household members; the household members will be considered "associate" members unless they are also present and apply for membership. A non-refundable application fee in the same amount as the dues is required at the time of application; the application will remain active for two meetings beyond the initial meeting. If the applicant has not returned for the second reading after two meetings following the initial application, the application shall expire. A new application can be made at any time but a new application fee would be required. If the applicant is accepted into the Club at the second reading, the application fee will be converted to the first year's dues. If the applicant is rejected, a new application can be made after 6 months. If you bought a puppy from a Club Breeder or adopted from Club Rescue, you are entitled to 1 year free membership.
