IS THERE ROOM IN YOUR HEART?

Westies aren't for everyone but they might
just be right for you.

- No children under age 10
- A fenced yard or willing to keep the dog on leash
- Time and love to give and receive
- Room in your heart for an adult dog who has lost his or her family
- Please go to <http://www.westierescue-mi.com>, print our application, fill it out and send it in. There may be a Westie just waiting to hear from you.

Will YOU love ME?

HAVE YOU EVER CONSIDERED FOSTERING?

The need for foster care increases every year. Please help us say "yes" when the need arises. We look for:

- Adult homes (no children under age 10)
- Fenced yard preferred but not always required
- Willing to work with your foster dog on issues such as housebreaking, barking, medical issues, etc.
- Working Families CAN foster!

Somewhere there is a Westie waiting for
YOUR help. Talk to us about volunteering
today.
