

## *CH. BRIARCLIFF SPLENDOR WITH GRAS*

August 21, 1999 - October 12, 2010

Irving had a sweet disposition and he was a male I could trust with puppies. I miss playing with him. He had a habit, as a puppy, of pulling on my pant leg and still occasionally would do it as an adult and it always made me smile.

## *BRIARCLIFF VALENTINO*

February 14, 2003 - December 22, 2010

Named Valentino both because he was whelped on Valentine's Day and because he was such a lover. I could always count on a kiss from Boomer.

**I now have more pawprints on my heart from both of these wonderful Westies.**

### *The Beautiful in Life*

*Some talk of it in poetry,  
Some grow it from the soil,  
Some build it in a steeple,  
Some show it through their toil.  
Some breathe it into music,  
Some mold it into art,  
Some shape it into bread loaves...  
Some hold it in their hearts.*
