Introducing the Westie Rescue MI On-line Mall

www.westierescuemimall.com

*Shop at stores you're already familiar with or currently shop online with. Here's the difference - **EARN CASH BACK** for yourself when you access these stores through the Westie Rescue MI Mall !!! At the same time, you also help to support the Michigan Westie Rescue!*

Each time you shop with one of the over 700 national retailers - you earn cash back with your purchase. Cash back is only available when shopping through the Westie Rescue MI Mall - you won't earn these cash back incentives when you shop direct with the store's own website.

*Enter www.westierescuemimall.com in your internet browser, **BOOKMARK** the site and save to your **FAVORITES**. Use **EVERY TIME** you shop online. Once on the site, click on **SIGN UP** in the upper right corner of the site (**IT'S FREE!**), search for the store you want or enter key words in the search box. Once you find the store you want, you'll be redirected to that store's website. The store knows that you came through the Westie Rescue MI Mall site, so when you checkout, not only will you receive a cash back check for your purchase from the retailer, an additional 30% of your cash back amount will go to the Michigan Westie Rescue organization. The amount that goes to the organization is provided by the retailer. You do not pay any more than what you would have if you went to the store direct, in fact you'll pay less by receiving cash back!*

IT'S A WIN - WIN FOR YOU AND THE MICHIGAN WESTIE RESCUE ORGANIZATION

***Do you travel?** You can book all of your travel, hotels, rental cars and even cruises through the Westie Rescue Mall. No different than Expedia, etc. However, you help support the Rescue!*

***Do you enjoy going to concerts or sporting events?** You can purchase your tickets through the Westie Rescue MI Mall. Type in tickets in the search bar. Earn cash back and help the Rescue!*
