

2014 ended up with all our rescue dogs in foster care adopted and happy in their new forever homes. We are starting off the new year with three new dogs in foster care.

New Dogs in care since last report:

Bubba and Delilah, 5 years old. These two little ones came in together and are littermates and have been together for life. They were surrendered due to family not having time for them. They are very attached to one another. In foster care they are doing well with two other dogs in the home. They are not ready to be adopted. We will be looking for a home for both of them together when the time comes.

Katie, 8 years old came into foster care because she was not getting along with the cats and two dogs in the home. Katie is in care and doing well. She is a sweet little girl. Katie is not ready for adoption at this time.

Join the Westie Rescue Michigan Fundraising Auction

March 14-16, 2015

Donations of all kinds (both dog-related and general items) are now being accepted for the auction to support the work of Westie Rescue Michigan. The perfect opportunity to get rid of those unwanted holiday gifts or things that have been hanging around and someone else might be able to put to use.

If you need help with posting your items you will need a photo and a brief description of the item including measurements, the materials that it is made of, etc. You can send a private message via facebook to any of the administrators for help in posting your items.
